

The SNHBA 2009 Builders Golf Classics were a resounding success, thanks to your involvement. The 2010 SNHBA Spring Builders Golf Classic will be held on Friday, May 7 at Silverstone Golf Club, and the Board decided to continue the "Bid on a Builder" format started with the spring 2009 tournament.

The Board is once again soliciting you, as a builder member, to offer yourself and/or a key employee for auction in the spring tournament for the benefit of the association. They are asking you to play golf in the tournament and be placed on our builder bid list for companies to obtain you for their team. The successful bidder will pick-up your round of golf as part of their team.

Below you will find a sign-up form for you and your staff. We are hoping to be able to compile the list of builders quickly so that the auction can begin soon. We urge you to participate in this fund raiser for the support of the association.
