

### **Design Consultant for busy home design center**

Carpets N More is a fast growing company supplying the new and existing housing market with flooring, countertops, cabinetry and window coverings. We are the premier subcontractor for new housing in the Las Vegas Market. With over 20 years experience, we deliver professional results and quality products to builders and homeowners at exceptional rates. Become part of our team see why we make the difference every day.

From concept to completion our Design Consultants assist homebuyers in selecting cabinets, flooring, countertops, and window treatments for their new home. If you love working in a high energy fast paced environment, this is for you.

Our ideal candidate must be able to understand and analyze floor plan options, be proficient in learning and understanding product specifications, and be an excellent communicator to our homebuyers. This position requires strong follow through skills, and will handle multiple projects simultaneously. Our Designers enter all customer orders into our system and review each order to confirm pricing, measurements, selection and availability.

### **Requirements:**

Must be able to work in a deadline driven fast paced environment

Must have excellent customer presentation skills

Must possess strong organization ability and be able to manage the small details

Must be proficient in Outlook, Word, and Excel

Experience working with NHMS / RFMS or other home design and ordering systems a plus

1+ year working with New Home buyer market preferred.

High School Diploma/GED and additional college coursework preferred

Carpets n More is an equal opportunity employer.
